Home, sweet home! This exquisite 4-bed, 3.5-bath residence features a 3-car garage, a stunning stone facade, and an inviting courtyard. The great room showcases vaulted ceilings, exposed beams, a stone backsplash, custom blinds, recessed lighting, and beautiful wood-look tile flooring. The impeccable kitchen boasts quartz counters, shaker cabinets with crown molding, sleek SS appliances, chic pendant lighting, a walk-in pantry, and an island with a breakfast bar. A versatile den provides a perfect space for an office or a cozy reading nook. The main bedroom offers abundant natural light for an airy feel and an ensuite with dual sinks, a luxurious raindrop shower, a soaking tub, and a walk-in closet.

Marvel at breathtaking mountain views in the backyard, complete with a covered patio, a fire pit, low-maintenance artificial turf, and a sparkling pool for those hot summer days. Make this gem yours!
