Your dream home in Alamar, a master-planned community near the mountains! This gem offers a stunning open floorplan with a 4-car garage for all your vehicles and toys. This house is bathed in natural light, thanks to abundant windows with stylish plantation shutters. Unique upgrades like a chef's kitchen with quartz countertops, custom backsplash, premium flooring, and more. The shiplap-covered accent walls add charm. The master bathroom is a retreat with dual sinks, a step-in shower, and a huge walk-in closet. Step into the completely landscaped backyard with a pergola, a fire pit, and a Coyote grilling station.. Community parks, biking trails, community pool, and more. Your new home is more than a house; it's a lifestyle. Don't miss the chance to call Alamar home!

- Plantation Shutters
- Quartz Countertops
- Walk-in Closet
- Community Pool
