Are you looking for a home that has space, updates, great location and more? Then you've found it! Every room in this amazing 2700sqft home has been updated. Highlights include flooring, appliances, lighting, exquisite primary shower, and more that you need to see for yourself. This separated floor plan with primary suite on one end and 3 beds on the other, allows for privacy and space. Plus the living room, family room, den/office, and eat in kitchen are perfect for entertaining and living, both inside and out. All the big things have been done (HVAC, exterior paint, roof cleaning/certification, low maintenance landscaping, hot water heater, expanded driveway parking, new garage doors,) so you just need to move in and enjoy!

- Dual Pane Windows
- Covered Patio
- Granite Countertops
- Great Location
