Stop the car honey! Owners took great care of this home with many upgrades right from the builder. Tile floors throughout! Popular Shea floor plan with an open great room and kitchen area. Upgraded cabinets, crown molding with quartz counters with a large breakfast bar and eat in kitchen. Split floor plan, with dual closets and a large shower and double sinks. The 2 other bedrooms are separated with a bathroom at the front of the home. You can come home and relax in your back yard with plenty of space for entertainment and a pool to cool off or warm up as its heated all on a very large lot. The two car garage has built in cabinets and plenty of racks for storage. Make it a home and call for details!!
