Beautiful home that looks like a model because it actually was! Updated with NEW interior paint and NEW carpet. Luxurious kitchen with NEW granite counters, maple cabinets with glass inserts, NEW sink and faucet, walk-in pantry, center island with breakfast bar, and stainless appliances including a NEW 4-door fridge. The floorplan features 4 bedrooms PLUS a den with built-in shelves and desk. The master bath has double sinks and separate tub/shower, and a set of French doors leading to the backyard patio, in addition to the French doors in the family room. Built-in speakers throughout the house. Impressive curb appeal with green grass, NEW exterior paint, 3-car garage, and inviting front porch. And the backyard has a putting green with a sand bunker and a BBQ area with NEW grill.
