Home, sweet home! Located in the peaceful neighborhood of The Glen at Widefield, this exquisite 4-bedroom residence boasts an impressive array of features and amenities. Starting with a sweet curb appeal, a 2-car garage, and an adorable front porch to enjoy a morning coffee. Discover a clean and updated interior, where modern aesthetics meet practical design! The inviting living room is adorned with wood flooring and a gas fireplace for chilly nights. Adjacent is a formal dining room, offering an ideal setting for dinner parties and special occasions. The kitchen features built-in appliances, ample cabinetry & counter space, a pantry, and track lighting. Upstairs is where you can find the three bedrooms! This includes the primary bedroom, providing a walk-in closet and a private bathroom for added convenience. A standout attribute of this property is the FINISHED BASEMENT! It has a large and versatile bonus room, ideal for a variety of uses such as a recreational area, ...
