Presenting a fully remodeled condo unit nestled in the prestigious Washington Park Neighborhood! This exquisite 1930s Spanish Colonial-style residence boasts an open floor plan that radiates warmth, perfect for both relaxation and entertaining. Neutral paint creates an inviting atmosphere, complemented by chic light fixtures, archways, and wood flooring in all the right places. The kitchen has built-in appliances, track lighting, quartz counters, stylish tile backsplash, and wood cabinetry with crown molding. Have a good night's sleep in your well-appointed bedroom! Let's not forget the full bathroom that adds comfort and convenience. Transitioning outside, you'll find the serene Community courtyard! This charming space, complete with a pergola and beautifully manicured gardens, offers a tranquil retreat for relaxing with friends and family. This property's prime location is a true highlight, being mere minutes away from the iconic Wash Park, where you can immerse yourself ...

- Excellent Location
- Built-in Appliances
- Wood Floors
- Crown Moulding
