Your dream home is within reach! This lovely 4-bed + Den residence has a 3-car garage and an inviting front patio. The 3-level floor plan offers formal living & dining rooms, high vaulted ceilings, plantation shutters, warm wood flooring, and designer paint. You will love the family room boasting a surround sound system and sliding doors for seamless indoor-outdoor living areas. The eat-in kitchen showcases granite counters, ample wood cabinetry, SS appliances, efficient recessed lighting, a subway backsplash, a pantry, and an island with a breakfast bar. You'll also find a den ideal for an office! Double doors lead to the main bedroom, highlighting an ensuite with dual sinks and a walk-in closet. The backyard features a covered patio, a well-kept lawn, and a sparkling pool. See it now!

Paid in full solar panels and system, 2 brand new AC units, new hot water heater, surround sound speakers in the den ceiling and on the outside patio, heated swimming pool with color cha...
