UNIQUE!. No house of this size and with this lot size has been on the market on MLS since October 2020!! You've finally found it! The home includes 4,156 of living space and the total lot size is a whopping 14,318 sqft (.32 Acres)! The backyard is a clean slate for you to make this an amazing backyard oasis. And if that's not private enough, you have no neighbors behind! This lovely 5-bed, 3-bath residence features one of their bedrooms downstairs with a full bathroom, solar panels, a 3-car garage, an RV gate, and an extended driveway. The interior boasts a living/dining room with high ceilings, a neutral palette, and soft carpeting. The cozy family room has sliding door access to the backyard for seamless indoor-outdoor living. The kitchen is equipped with granite counters, ample wood cabinetry, built-in appliances, recessed lighting, a walk-in pantry, and a central island. Upstairs, the sizable loft offers additional living space. Double doors lead to the large main bedro...
