Stunning oversized corner lot residence located in the beautiful, family friendly community of Sonoran Mountain Ranch! The owners loved and took great care of this home and it shows. From the time you walk in the door you will be presented with a great layout which offers spacious living areas, tile flooring, & neutral color palette throughout. The well-appointed kitchen showcases cherry wood cabinets adorned with crown molding, granite counters, stainless steel appliances, a pantry, recessed lighting, & a center island with a breakfast bar. The primary bedroom boasts soft carpet, a walk-in closet & a private bathroom equipped with dual sinks and jetted tub. Discover the gorgeous backyard featuring a large covered patio, built-in ceiling speakers, a horseshoe pit, & the crown jewel, a heated swimming pool with a baja shelf and table top accompanied by a spa! Leased solar system with extremely low payments, will never be over \$76 a month. Do not miss this rar...
