This highrise unit boasts a guest bedroom with a custom California Closets Murphy bed featuring built-in shelves and a home office desk for convenience and space optimization. The entire unit is adorned with high-quality custom motorized solar and blackout shades, effortlessly controlled by a remote, ensuring comfort and privacy. The kitchen has been remodeled, featuring upgraded top granite countertops and mirrored accents for a modern touch. Furthermore, upgraded light fixtures and a smart thermostat control system add to the space's overall functionality and aesthetic appeal. Not to mention, it is one of the only units in Turnberry Towers featuring a full-size washer and dryer to give you more convenience in this breathtaking property.

- Balcony
- Granite Countertops
- SS Appliances
