Spectacular 4,119 sq. ft. home with lots of living space, 5 bedrooms, large loft/playroom, office/den, formal living & dining room along with 4.5 bathrooms. Incredible kitchen that has been all updated with stainless steel appliances, beautiful quartz counter tops, white cabinets, eating bar, large center island & tile back splash. Two really nice walk-in pantries. A big family room all opens up to the amazing kitchen. One bedroom downstairs with its own bathroom, another sits in its own wing with a full bathroom, which offers privacy when you have guests. Tile throughout & engineered wood floors, plus plantation shutters. Primary bedroom is large enough for a seating area, the primary bath is all updated, large tile floors, massive walk-in shower, separate sinks & a sliding barn door for more privacy. There are two stairwells with fancy iron & wood railings leading up to the 4 other bedrooms & loft area. Speakers in the ceilings of the family room, ...
