The search is over! This spectacular 4-bedroom home in Sun River is a dream come true! Not only are you greeted by a desert-landscaped front yard, but you'll also find a 3-car garage and an oversized den with a separate entry ideal for an office. The impressive interior boasts a large & bright great room with custom palette, tile flooring, and plantation shutters. The additional open room at the front can be a formal dining area. The gourmet kitchen showcases a plethora of wood cabinetry, travertine tile backsplash, speckled granite countertops, high-end SS appliances, a center island, and a 2-tired second island with breakfast bar. A circular foyer leads into the owner's suite, which comes with backyard access and an adjacent room perfect for a reading nook. The ensuite has two vanities, a separate tub & shower, and a bountiful walk-in closet. The laundry room includes attached cabinetry for added storage. The backyard offers a covered patio with a flagstone floor,...
