his home checks off all the must have boxes....single level....3 car garage....private pool! Beautiful street view with stone accents. Spacious floorplan featuring split bedroom, formal living room, dining room and a kitchen overlooking the family room. Island kitchen with pantry & tons of cabinets. Main bedroom features separate shower & tub, big walk-in closet & toilet room. Both AC units were replaced 2 years ago. In the back yard you'll find a large grass area, private play pool, RV gate, gas line for BBQ or fire pit, and covered patio to relax on. Excellent south Chandler location close to schools, shopping, restaurants & entertainment.

- Pool
- Dual Pane Windows
- Covered Patio
