Exquisite residence located in the coveted Waterston community showcases an abundance of upgrades and a luxurious resort-style backyard. Indulge in the heated/cooled pool, complete with custom sewn cover and UV/O2 with DE filter water filtration for pristine water quality, alongside the hot tub, putting green, alumashade structure, and outdoor fountain, with citrus trees and privacy with no rear neighbors. Simplify holiday lighting with programmable LED security lighting illuminating the entire house, while the garden series speaker system sets the ambiance in the backyard. The chef's kitchen, outfitted with Wolf appliances and a Cove dishwasher, boasts an oversized island and an open concept layout ideal for entertaining.

A panoramic 4-panel slider in the great room seamlessly connects the indoors to the outdoors, complemented by automated Ranier shades for added comfort. The home boasts tile flooring throughout, complemented by elegant plantation shutters on all windows. ...
