Wow, fantastic opportunity to own a residence with 2,969 SqFt of construction on a 1.1-acre lot! The impeccable interior boasts a warm palette, neutral tile flooring, recessed lighting, tall ceilings, and a sizable den ideal for an office or a formal living room. The bright & ample great room promotes a greater traffic flow & maximizes space. This open floor design makes entertaining a bliss! The kitchen features white shaker cabinetry, granite countertops, stainless steel appliances, a pantry, and an island with a breakfast bar. The primary bedroom has a full ensuite with a step-in shower, a jetted tub, a dual sink vanity, and a walk-in closet. The vast exterior offers endless landscaping potential to get creative, with room for RVs, a pool, & space for horses to roam. Take a tour today!

- Covered Patio
- SS Appliances
- Granite Countertops
