You want to take advantage of this recently updated single-story home now on the market! Discover carport parking with an extended driveway, an RV gate, and additional parking space to easily accommodate your toys. The charming interior features an inviting open layout adorned with a trending palette, sleek wood-plank tile flooring, and sliding glass doors to the backyard. The spotless kitchen is a homemaker's delight, showcasing built-in appliances, quartz counters, and ample white cabinetry. Make the flexible den into a home office or a hobby space! This adorable abode provides two perfectly sized bedrooms, one with a walk-in closet. Host unforgettable gatherings in the generous backyard complete with an open patio and a refreshing pool! This gem will not disappoint!

- RV Gate
- Quartz Counters
- Wood-look Flooring
- Pool
