Let's start with curb appeal — absolutely exquisite & VIEWS GALORE! As you enter the main home from a private paver courtyard, you'll immediately feel the tranquility of a light and bright floor plan with expansive views north and south. With 3 bedrooms + a den + 2.5 baths, this custom home is appointed with fantastic finishes not to mention an attached extended length 3-car garage, large enough for all of your toys. BUT WAIT... there's certainly MORE... Step out back and you will be surrounded by a manicured yard with MAJESTIC VIEWS of San Tan Mountain. Enjoy a moonlit evening in your outdoor spa or stargaze from your private viewingdeck. Perfectly designed, and integrated into the compound, is a 26x50 RV Garage with multiple entrances complete with a 16'ceiling and a 14' door.

If that's not spectacular enough, attached is a 460 sf recreation room with its own a/c and bath that was added by the owner by converting a portion of the shop (not permitted / not in square fo...
