Check out this large home on 2 acres just outside of Great Falls! The home has 4 bedrooms plus storage rooms and several closets! The ensuite bathroom has been remodeled and there is some new flooring in the basement! The 2 car garage also has a mechanics 'pit'! Outside there is a chicken coop/shed with electricity, a 3 stall lean-to style barn and 2 fenced pastures! Yes, there are some finishing touches needed to be made here but it is just waiting for the right new owner to do it their way
