Built in 2021 and better than brand new, the home features four bedrooms and 2.5 baths with an open floor plan featuring luxury vinyl plank (LVP) flooring on the first level. The kitchen is equipped with granite countertops, a gas range, and a bar, making it perfect for both cooking and entertaining. The living room is welcoming with an open layout and a cozy gas fireplace. Upstairs, the primary bedroom offers a cathedral ceiling and a ceiling fan, complemented by an ensuite bathroom featuring a double vanity, walk-in shower, and an expansive walk-in closet. The remaining three bedrooms are well-appointed with recessed lighting and has a walk-in closet for storage. Outside, enjoy a covered back porch overlooking peaceful woods, with a large side yard that connects to protected green space managed by the HOA. Conveniently located near dining, shopping, and major interstates, this home is within the sought-after District Five school zone.
