Nestled in the quiet hills of Eagle Rock, this 3-bedroom, 3-bathroom (plus office) modern stunner awaits its next chapter! Upon entering the bright and spacious open concept living room, you'll be met with warm custom finishes and thoughtful upgrades in all directions. High ceilings and sunlight envelope the space and glass accordion doors that open up to a covered lounging deck overlooking epic views of magical city lights, sprawling palm tree skylines and the best view in town of the Eagle Rock itself! The chic open kitchen is a showstopper, featuring top-of-the-line appliances, custom sage cabinetry and a large island, perfect for family gatherings. The layout is absolutely perfect and features a separate family room with a retro fireplace, 2 bright spacious bedrooms and a built-in office area on the main level. The entire lower level is dedicated to a sultry and private primary retreat complete with a gorgeous ensuite bath, dual closets, and more magical views of the wo...
