This remodeled, rustic chic home is the perfect mix of modern and country. From the gorgeous wood floors to the unique light fixtures, you won't be able to take it all in with one glance! Step through the new front door, featuring a beautiful beveled glass window, and take a look at this gorgeous house. Immediately inside the front door, you'll find a quaint, elevated, front living area with a refaced fireplace and new mantle. A newly remodeled staircase leads you upstairs to a good size master suite that has a custom made master closet. In the rest of the upstairs, you'll find 2 more large bedrooms, the laundry area, and an oversized bathroom. Click on "More..." for more info. Class IV roof. This gorgeous home is ready to go! Schedule your showing today!

Back downstairs is an isolated bedroom, the main bathroom, a large living room with a beautiful custom made entertainment center/bookshelves, and a formal dining area. A remodeled basement provides some extra room for a ...
