This townhome is one to see! The open floorplan allows continuous flow from the kitchen to the dining area and living room. The newer fenced patio allows for privacy. The extra storage shed is negotiable, if you need more storage. Upstairs you will find a large primary bedroom and a second bedroom. The rooms are light and bright. The space allows for work and home space, a roommate, or a family. Also, you will find the laundry, with new appliances, on the upper level for ease. You will love that the current owner has installed new windows and a patio door this year to help with energy efficiency. This home has been well cared for. The flooring throughout is all newer too! Find this one move-in ready and make it your own.
