Enter into an elegant two story foyer with turned hardwood staircase and heavy trim. An office with glass French doors and transom is attached to a full bath and could work as bedroom six. Formal rooms have plenty of trim and hardwood floors. The large kitchen is open to the family room on the back of the home and has plenty of counter top space with a generous center island. Lots of storage in the cabinets and pantry. The primary bedroom has a beautifully updated bath with corner shower, elegant tub and double sink vanity. A large custom built, sound proofed, home theater is over the garage and is great for watching your favorite sport team or family movie night.
