You will love this original owner home! From the inviting front stone walkway to the rear private stone patio, A great floorplan for comfortable living and entertaining. Formal living room and dining room with hardwood floors. Warm foyer entrance. Eat in kitchen with silestone counter tops, S/S appliances and attractive pine cabinets. There is a convenient powder bath on the main level along with a mud room with the entrance to a one car attached garage.

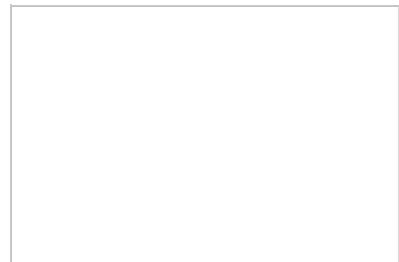

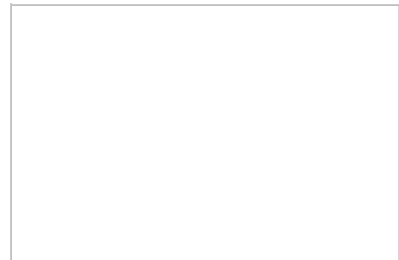

A knock out feature of this home is the family room with wood beam ceiling and brick hearth fireplace. Great space for entertaining. An exit from the family room takes you to the patio area for your outdoor activities.

The upper level boasts 4 bedrooms, a hall full bath and a spacious Master Suite with private bath and generous closet space. Hardwood floors through out the upstairs

The lower level has a finished recreation room along with a spacious mechanical room and unfinished storage area and workshop.
