A one of a kind North Chico home for that person that likes to think out of the box and wants something truly different. Modern, open, European floor plan that has one truly "great" room for the main living area. A gourmet cook's kitchen with a grand island allowing for a friendly, family style of conversation and dining. Kitchen features lots of tile and modern, shaker style Alder cabinets with beautiful stainless steel appliances. The master suite has its own enclosed patio with an artistic waterfall and the master bath has a Japanese soaking tub and shower combo-very cool! Back yard is a must see/must have that flows nicely off the main home. Step out of the great room and into the outdoor lifestyle of living. Partially covered patio features a real mud and stucco brick oven that cooks the best bread and pizza ever! Enjoy the pool and large oversize lot in the summer and grow your own food in the nicely laid out custom garden growing boxes. ...
