**A Horse Lovers Dream!** This beautiful traditional home is located on the northern edge of Gallatin, close enough to be convenient yet remote enough to seem as if you are far out in the country. The home has 2 levels plus a finished basement and a 2 car garage and sets well off the main road. It features 3 large bedrooms with the master on the main level. Present owners are using the second level as their gigantic master suite which could also be used as a bonus room. Outside, it has a screened porch over the patio, a very nice 2 stall barn with tack room and an attached corral. This property has direct access to Triple Creek Park at the rear - great for kids playing ball and riding your horses on the grassy areas around the park. All of this sits on some of the most beautiful acreage in Middle Tennessee.
