This is a remarkable home and a great find. Prime location with no HOA in a well established neighborhood. This single level home had been professionally remodeled with a large open kitchen, oversized master bedroom with his & her walk in closets, custom walk in shower, added game/playroom for the kids and much more. The home sits on an oversized lot with nice pebbletec playpool and large grass area with RV access to the alley. Don't miss out on this excellent opportunity.
