Gracefully perched on top of Sulphur Mountain in Ojai, California, this newly built Spanish style home exudes a refined elegance while nestled in a naturally rugged and private setting. Surrounded by stunning panoramic views of the mountains and ocean, this unique home commands attention from every angle and boasts 109 acres of ridge top grassland with clusters of California oak. This unsurpassed view offers a vantage point high above the Pacific ocean overlooking the Channel Islands as well as vast views of southern California open space stretching from Malibu across vast ranch lands, the city lights of Ventura and Oxnard, over the pacific ocean to the Channel Islands, reaching as far as Lake Casitas and North over the mountains.

The main house offers over 7,200 square feet, and over 4,000 of developed terrace for unparalleled indoor/outdoor living....
