This elegantly appointed 4/3 home in Rock Springs Ridge would rival most model homes. As you pull into the cul-de-sac, you'll see the home boasts custom stone columns, a brick paved driveway, and beautiful mature landscaping. As you enter this 2,457 square foot home you'll immediately be impressed with the more than \$70,000 in custom upgrades throughout the home. Some of those upgrades are the cathedral ceilings, crown molding, custom woodwork, upgraded ceramic tile, plantation shutters, custom curtains and valances, and that's just the beginning. The home features formal living and dining room areas complete with custom paint and Venetian plaster, which provide an elegant feel. As you enter the family room area you'll immediately see that it's a great space to entertain with its open design, custom-built cherry wood entertainment center, and pre-wired surround sound system. The family room opens into the kitchen, which has matching custom cherry wood 48" c...
