## ***This Home Is Custom Built to Fight Allergies ...***

### ***Way Too Much to List...***

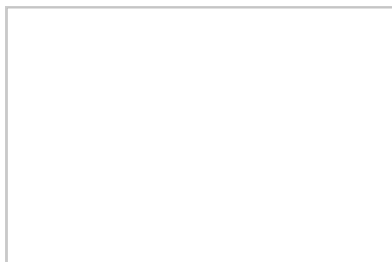

This beautiful 3 bedroom, 3.5 bathroom, single family home is perfect for the person that fights with allergies.

Current owner had this home custom built so that she did not have to worry as much about the dust, fumes and other elements that mess with allergies. Beautiful hard wood floors in all the main areas and ceramic tiles in the Kitchen and wet areas are breath taking.

Very open floor plan, great for entertaining and large families.
