Meadowbrook Builders has taken location into account. The Tate plan sits in Centennial Pointe, one of the most highly sought after neighborhoods in North Ankeny. You won't find many homes out there like this story & a half. Walk in to a plan that you can live in for years to come. Just off the entry you have glass French doors to your own office space or you can head on into the living space that has a fireplace & 10' ceilings. The flow continues into the open kitchen and dining area. Enjoy the counter top space & the large walk-in pantry. The master on the main level offers plenty of room & a master bath with a jet tub and a tile shower. It won't take long for you to fall in love with the covered deck overlooking the irrigated green grass! We have some FALL SPECIALS going on right now so call today! Open 1 to 4 every Sunday.
