This Strahan built home is a fantastic find. The corner lot provides for a large fenced in back yard with a Bocce Ball court in the back yard equipped with a rake and a roller. The yard is finely groomed with an irrigation system. The home has many great features including a formal dining area and a great office room. The master bedroom has plenty of space with a master bath that has a whirl pool tub and shower. The fully finished basement is another great advantage by adding a bedroom and a bathroom. The living rooms are both wired for surround sound. Take the time to check out this house blocks from Easter Lake State Park
