What a great opportunity for you to take advantage of a wonderfully updated townhome in an ideal location. With the new 36th street exit off of I-35 only blocks away you will love the 15 minute commute to downtown Des Moines or to Ames. Ease of access is fantastic. The home also sits blocks from 3 different golf courses. It has been well maintained with multiple upgrades. The upgraded carpet is new condition and the bathrooms have new flooring. Extra trim sets this town home apart. Crown molding on the main level looks great with the 10 ft ceilings. The kitchen is super cute with a tile backsplash and brushed nickel cabinet handles. This place is absolutely turnkey, move in ready! The second level has 2 large bedrooms and a loft that could be used as a living area, play room or an office. The second floor also has the laundry area and 2 bathrooms. The time is now to look at this well maintained home!
