From the time you walk in the front door you can tell this home was loved and taken care of. Many wonderful updates have been done in past few years.

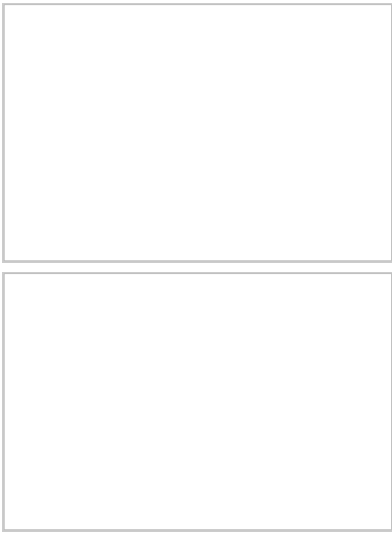

The home has four wonderful size bedrooms as well as a great eat in kitchen. Lower level walks out to a screen porch for summer fun. The big corner lot is all fenced in and has new landscaping. There is also a three car garage that is insulated and plumbed for a furnace. It also has built in cabinets and over head storage. On top of all this it is tucked into a lovely Blaine neighborhood, near many shops and restaurants.
