Step in to this beautiful 3 level split on new carpet, (feels good). Notice the updating in the Kitchen and newer appliances that stay right where they are, the newer windows and French door with the newer oak woodwork throughout. Fresh paint everywhere and lifetime warranty smoke/carbon monoxide detectors for your safety. Walk up a few stairs to 3 ample bedrooms and an updated bath with whirlpool tub. Have you noticed the ceiling fans? From the main level walk down a few steps to a huge family area complimented with the fireplace and a door that walks right out to the back yard (handy for entertaining). While outside take a look around and find lots of newer concrete for drive and patio, solar vents on the roof to save cooling costs plus new gutters and fascia. With newer furnace and AC plus a security system that can be activated this home offers it all. Did you see the view from the back? Lots of wildlife to enjoy thru the seasons. OH, did I mention a Brand New roomy 2+ car ...
