Large cul-de-sac lot with pond in the rear and common area in the front. Fenced in yard still allows for beautiful views. Highly customized interior with decorative lighting, wall oven/ microwave combo, 5 burner gas cooktop with hood, custom tile work in all bathrooms, and an oversized master suite. Great Room, Dining Room, and Kitchen are wide open and rooms are large. Perfect for entertaining. Seamless transition between Great Room and outdoor living creates easy use of the backyard and covered patio. Quick walks to the grocery store, nail salon, bank, and coffee shop make this home's location extraordinarily convenient!

All this less than 1 mile from the beach and out of the flood plain (so not flood insurance required)!
