Step inside this wonderful home! This home boasts vaulted ceilings, hardwood floors, an open floor plan and a main floor master bedroom with walk-in closet. Each bedroom upstairs have walk-in closets as well. Lots of windows allow for ample sunshine in this home. The basement has been finished with a kitchen for all of your entertaining needs. In addition, there is a large storage area in the basement. Outside, you'll enjoy barbecuing on your large deck or perhaps you can take a bike ride or walk on one of the many nature trails right outside your door. Newer high efficiency furnace, central air and hot water heater (2010)! Driveway is a little steep, but with enough preventative maintenance it should not be an issue.
