Looking for a home with a 3 car garage in an established neighborhood? This open floor plan ranch is vaulted throughout most of the main level. There is hardwood in the foyer and gas fireplace flanked with floor to ceiling stone in the great room. Kitchen has black appliances including built-in microwave, pantry and spacious breakfast room. Master bedroom has bay window, full bath and walk-in closet. Separate main floor laundry is filled with cabinets and right off the kitchen. Lower level features a large rec room, play room, bath with pedestal sink and plenty of storage space. Exterior of home is partial brick and vinyl siding with covered soffit/fascia. Backyard has a patio, play area with swing set that can stay and backs to field with horses.
