This place rocks... Reduced \$13,500! Swimming pool, hot tub, koi pond, outdoor entertaining area... and that's just the beginning! Enjoy quiet Chico evenings hanging by the pool. There is no freeway noise, no trains blowing their horn, and it's not underneath the Chico airport flight path, making this home virtually NOISE free. Tucked away on a very quiet cul-de-sac in a super-secret neighborhood off the beaten path, this home is very close to shopping and has easy access to the Skyway and Highway 99. Built in 1991, the property boasts a hard to find 3 car garage, red tile roof, and comes with a next to new refrigerator, dishwasher, built-in microwave and oven, all of which are stainless steel! For the wine connoisseur, there is also a built-in wine fridge in the kitchen.
