Looking to buy in the neighborhood that was rated the #1 up-and-coming neighborhood in the U.S. in 2013? Here's your chance to buy a fully renovated townhouse at a great price.

This stylish and charming town home in downtown Highland park is a couple of blocks away from the Highland Park Metro Gold Line station, great new cafes and restaurants, the Old LA Certified Farmers Market and much more. Minutes to downtown by car or metro. You can't get more central than this!
