Exceptional designer remodeled home in Carpenter school district. This modern four-bed three-bath home is tucked away in a prime enclave in the heart of Studio City. This 2400 square foot home sits on a 6000 square foot lot on a beautiful tree lined street. A formal entryway, complete with new hardwood floors leads to a brand new open concept kitchen with a large island and quartz counter tops. Enjoy your morning coffee and newspaper in the banquet seating area with large new windows perfect for relaxing on the weekends. The kitchen also includes a Blue Star Range, Subzero fridge, and Viking microwave, wine and beverage cooler. The open concept continues into the living room with a new gas fireplace and custom entertainment center with gorgeous tin ceiling to complete the modern feel. The lower level is complete with dining room, master bedroom with en-suite bathroom, full guest bathroom and fourth bedroom currently being used as an office.
