Located in the Westfield community which is laced with riding and walking trails, this custom, mid-century modern, PANORAMIC CITY VIEW home sits on a hill away from the street in a private setting.

The timeless one level design features vaulted ceilings, walls of glass, yet is a private setting while you look out on the city below.

There is an indoor/outdoor feeling throughout. The wide roof eaves keep the house protected from the elements year round.

Right off the kitchen and family room is the patio and pool area so you can easily move from indoors to out when entertaining. Some recent upgrades include a recently installed 30+ year roof with radiant barrier, concrete driveway with hand-scored relief and non-skid finish, newer carpets, paint and updated master bathroom. The two car drive-through garage has a parking pad behind it for storing a boat, or? The family friendly, Westfield community features a community riding ring, tennis courts, yearly Halloween party and open ai...
