This is a house located in a gorgeous gated community located near the mountains. This is a 3 bedroom/2.5 bath with a loft and many upgrades and custom touches. The kitchen has granite countertops with upgraded cabinetry. Travertine is located in all the right places. This oversized lot includes: a grassy area, a salt water/heated pool (tenant expense) with an extended patio, a 10 ft RV gate with parking slab. So much in this home.
