Beautiful single-level home on lush, green Morrison Ranch Parkway. Tastefully done to make every room feel comfortable & complete. Formal living and dining, plus huge family room in the center. The kitchen has a huge island, a pantry, stainless gas range, microwave, & a breakfast room w/views of the patio. The master suite is separate from the other bedrooms & has a huge walk-in closet, garden tub, separate clear-glass shower and an extended vanity. In back there is plenty of patio space, and easy-care landscaping. Great location, close to schools, parks & freeways.
