Luxury estate located in the exclusive Dona's south of the boulevard! This home was tastefully remodeled in 2014 with superior craftsmanship apparent in every detail. Warm neutral earth tones create an inviting decor, exquisite smoky glass double doors lead you to elegant formal entry into the open floor plan which boasts dark wood floors throughout and tons of windows illuminate entire living space. The gourmet chef's kitchen boasts Corian counters, tile back splash, beautifully crafted cabinets, top of the line stainless steel appliances and more! Large open living room with sliding doors to pool, high ceilings, recessed lighting and stone tile fireplace. Master suit located on main level is a spacious bedroom with large walk-in closet and view of pool/ yard. Contemporary finishes and luxurious elements seamlessly transition to the resort-like yard. Bask in the serene blue waters of your pool while listening to the cascading water feature or entertain around the brick BBQ cent...
