Completely Renovated Pasadena Charmer! Located on a lovely tree-lined street in North East Pasadena, this charming three-bedroom and three-bath home is completely renovated with almost everything new! Meticulous care has been given to maintain the original character of the home, while upgrading many of the systems with modern conveniences and luxury finishes. This open floor plan features a custom front door that opens into an elegant living room highlighted by a custom-finished wood and gas burning fireplace, and oversized north-facing window which allows an abundance of natural light into the front of the home. The spacious formal dining room adjacent to the kitchen and family room is ideal for entertaining. The recently remodeled kitchen features stainless steel appliances, custom cabinets with an abundance of storage and granite counter tops. The front bedroom is a good size and is directly connected to the upgraded hall bathroom. The second bedroom has its own privat...
