This fontaine has been completely redone. The eat-in country kitchen has been expanded with an island, maple cabinets, corian counter tops, a workstation, and a wet bar. The master bath features double sinks, jet tub, walk-in shower, and a private toilet area with a pocket door. The guest bedroom has been expanded and the third bedroom has been converted to a den with entry off the living room. The master bedroom boasts a huge walk-in closet. Laminate flooring in living room and den, tile in kitchen, baths, inside laundry, and hallway. Ceiling fans throughout and Dual pane vinyl windows. Low maintenance stucco exterior.
