Located in a charming Daly City neighborhood, this 5 bedroom and 2.5 bath home has a flexible design that can meet the needs of a wide range of homebuyers. The spacious living room features vaulted ceilings, hardwood floors, a brick fireplace, and is the perfect place to entertain friends and family or enjoy a movie by the fire. Around the corner is the kitchen, which enjoys flush lighting, granite counter-tops, an oven with a stainless steel range hood, and an attached informal dining area with access to the back patio. Barbeque on the back patio and you'll be able to entertain and serve guests right from the grill to your dining table. A few steps below the kitchen you will find a bonus room that could work great as a sports den, workout room or office. The upper level of this home is split with the bottom bedroom level featuring 3 bedrooms and one bathro...
