A super clean 1166 SQFT, upgraded, and hard to find 2 Bedroom 2 Bath home under 500K in a peaceful area with a huge growth potential. A must see property constructed less than 2 years ago with community Swimming pool, children's play area, ample parking, dog play area, community gym, a very nice Barbecue area in a family friendly neighborhood. The area has huge potential. Once approved, the future BART extension may have a station within walk-able distance and may certainly be able to boost the housing price in the area.

A beautiful Cayetano Park is opening soon!
